

PRODUCT INFORMATION

The traditional face style of the Windsor Stone[®] retaining wall system gives any garden wall a timeless appearance. Lightweight and easy to handle, the Windsor Stone block is the perfect choice for projects up to 2 feet high. A matching cap completes the system.

Planter rings, raised gardens, terraces and retaining walls, you name it - projects look great with the Windsor Stone wall system product. Plus, the Windsor Stone product features the rear-lip locator for quick and easy installation.

No pins. No mortar. No misalignments.

Rear-lip locator invented by Anchor makes installation fast and accurate. Anchor - the original rear-lip product!

PRODUCT INFORMATION

Wall Block Quantities

Height	Number of Courses*	Wall Length									
		5'	10'	15'	20'	25'	30'	35'	40'	45'	50'
0'8"	2	11	21	32	42	53	63	73	84	94	105
1'0"	3	16	32	47	63	79	94	110	125	141	157

Easy to install, the rear-lip locator makes alignment automatic. Just stack each block with the rear lip facing down on the course below and pull it forward until it touches the back of the lower block.

See anchorwall.com for installation instructions.
